1. Posting Address Numbers: Please post your address number (within 60 days) in a location where emergency vehicles can see it clearly from the road or street you are addressed to. If your property is not clearly visible from the road or street, please post your address number on a permanent sign at the entrance to the drive of your property. If your property is located off of a State Highway, Farm Road, or US Highway, **DO NOT** post your address number on the highway right-of-way. Address numbers on your sign should preferably be 5" high, but no less than 3" high, and of a reflective material. Please remember, in an emergency, the presence and visibility of these numbers may help save your life.

2. Deed Restrictions: Property owner is solely responsible for complying with property deed restrictions.

Upon Signing this Application, Property Owner (or his/her designee) authorizes Polk County, Texas, to enter upon the described property for the purpose of lot/land evaluation, septic system inspections, flood hazard evaluation, or for any reason consistent with the water quality programs of the Texas Commission on Environmental Quality. County officials and staff will make all reasonable efforts to coordinate inspection date and time with the property owner. If any portion of the referenced property is located in the 100-year floodplain, Applicant is responsible for building outside the floodplain or following the floodplain guidelines of the NFIP and Polk County, Texas.
